

## LIONS PRAISED FOR YEAR OF GREAT SERVICE

A year's community service was reviewed at the ladies' night of Newmarket Lions club at Pickering College on Monday evening.

President Fred Thompson told of good works totalling \$4,000. The club supplied 1,100 quarts of milk and 84 pounds of butter to needy families, contributed over \$200 toward hospital costs, tonsil operations, provision of glasses, dentistry, spent over \$400 on Christmas baskets, and contributed the following amounts to various causes:

Newmarket Children's Aid, \$100; Hospital for Sick Children, \$25; Ontario Society for Crippled Children, \$25; Soldier-Citizen club, \$79.77; Greek war relief, \$25; Newmarket Air Cadets, \$395.85; overseas cigarettes, \$128.52; Lions British Child War Victims fund, \$600; Newmarket Red Cross, \$225; Lions fund for equipment of nursery in Margaret Davis memorial wing, York County hospital, \$50.

Mr. Thompson mentioned also maintenance and development of Lions' park and boys' and girls' work committee expenditures.

Air Cadet officers and instructors and their wives were among the guests. In introducing them, Mr. Thompson said: "It is not our purpose to encourage enlistments in the R.C.A.F. We do not consider that our responsibility."

"If Canada, situated at the crossroads of the world, is to become and remain one of the great flying centres of the world, it is necessary that her youth be instructed in every phase of aeronautics."

Mr. Thompson said that the club had gained 14 new members and lost three members. He expressed the thanks of the club to Mrs. J. E. Nesbitt, past president of St. Paul's ladies' aid, to Mrs. A. D. Evans, the new president, and Mrs. W. L. Bosworth, chairman of the catering committee, for providing the club with "a den" and serving dinners during the past club year.

Mrs. Bosworth was given a "Lions' rose" in appreciation of her work.

Mr. Thompson explained to the guests that the club has two different bank accounts, the current account, money collected from initiations, dues and fines, out of which are paid such expenses as speakers' fees, the cost of meals for club guests and delegates' convention expenses, and the activity account, money raised from the public and left over for welfare work and community projects.

Headmaster Joseph McCulley welcomed the Lions and their guests to Pickering College. "The town of Newmarket is to be congratulated on having in its midst a body that has the public spirit demonstrated by your financial statement," said Mr. McCulley.

"I have often said that the modern world has lost its sense of community. There is a good deal of the sense of community left in small towns. All the money spent by the Lions club is a contribution toward the sense of living together and working together in the achievement of worth-while purposes. I think that that is the greatest achievement of the Newmarket Lions club."

Col. N. M. Young, officer commanding Newmarket training centre, thanked club members for what they were doing toward the success of the July 1 celebration to provide camp comforts.

Col. Young said that if the work being done by the Lions club for boys was universal "there would not be five percent of disciplinary problems that there seem to be throughout the army."

"I want to congratulate this club," said Dr. Kenneth H. Rogers, Toronto, new district governor of Lions clubs. "A club that can do \$4,000 worth of work of the kind done by this club is to be congratulated."

Dr. Rogers presented 100 percent attendance pins to 29 members of the club.

"Every service club on the North American continent has a big job to do," said District Governor Ernest Houghton, Toronto, in installing the club officers for 1944-45. He was assisted by District Secretary Bruce Macdonald, Toronto.

Officers installed were: president, H. E. Gilroy; secretary, T. F. Doyle; (Page 7, Col. 1)

**HONOR TEACHERS**  
A group of friends honored Principal J. B. Bastedo and Vice-Principal H. C. Westbrook of Newmarket high school at a party at the summer cottage of R. C. Morrison, Keswick, last evening. Mr. Bastedo and Mr. Westbrook are leaving the school staff. Mr. Bastedo was given a briefcase and Mr. Westbrook was given a traveling bag.

**SCHOOL IS OUT**  
Newmarket high and public schools closed today and Saturday. Public school youngsters received their results in their classrooms this morning.

## GARAGE FIRE WILL BE INVESTIGATED

Fire in a car storage building on Simcoe St. at noon on Friday will be investigated by the Ontario fire marshal's department, Chief Constable James Sloss said this week.

The alarm sounded at noon and the fire-out whistle at 1:30 p.m. In the intervening time a fierce blaze engulfed the building and destroyed the contents including two cars belonging to John Welch and John Stickland.

The fire brigade responded promptly, and the firemen under Chief Joseph Brammar were able to control the blaze, one of the most intense fires that the brigade has had to deal with in years. The firemen saved the structure of the building, and prevented the flames spreading to nearby buildings.

Ed. Williams, whose house is at one side of the garage, was able to get his car out of the building. Ronald Eves, Fred Palmateer and some other boys went into the building and pushed out a car belonging to Mrs. M. Pangman.

The building belongs to the Davis McCarty estate.

## Joe Darrach Suffers Hand Wound In Normandy Action

Mrs. D. F. Darrach, Newmarket, received word on Monday that her son, Rlmn. Joseph Darrach, 22 years old, has been wounded in action. He has received lacerations on his right hand. It is believed that he was with the invasion forces.

Rlmn. Darrach enlisted in July, 1940, trained at Camp Borden, Toronto, Woodstock and North Bay, before going overseas in April, 1942. Rlmn. Darrach has one brother, Pte. Norman Darrach, on active service, two brothers, Stanley and Gordon, at home, and three sisters, Helen, Margaret and Bernice, also at home.

As a youngster he used to sell the Newmarket Era. His winning smile built him a nice route.

## SALVAGE COLLECTION SAID DISAPPOINTING

The salvage collection on Saturday brought in between six and seven tons of paper.

"The quantity was disappointing, as it was expected that the collection would amount to approximately ten tons," said W. A. Spear, secretary of Newmarket Boy Scouts Association.

"The need for waste paper is more urgent now than at any time in the past and all citizens are asked to make a special effort for save all kinds of waste paper for salvage collections. The next collection is planned for early September."

## HAS HAD PNEUMONIA

Michael McCaffrey, son of Mr. and Mrs. W. A. McCaffrey, has been ill with pneumonia at his home this week.

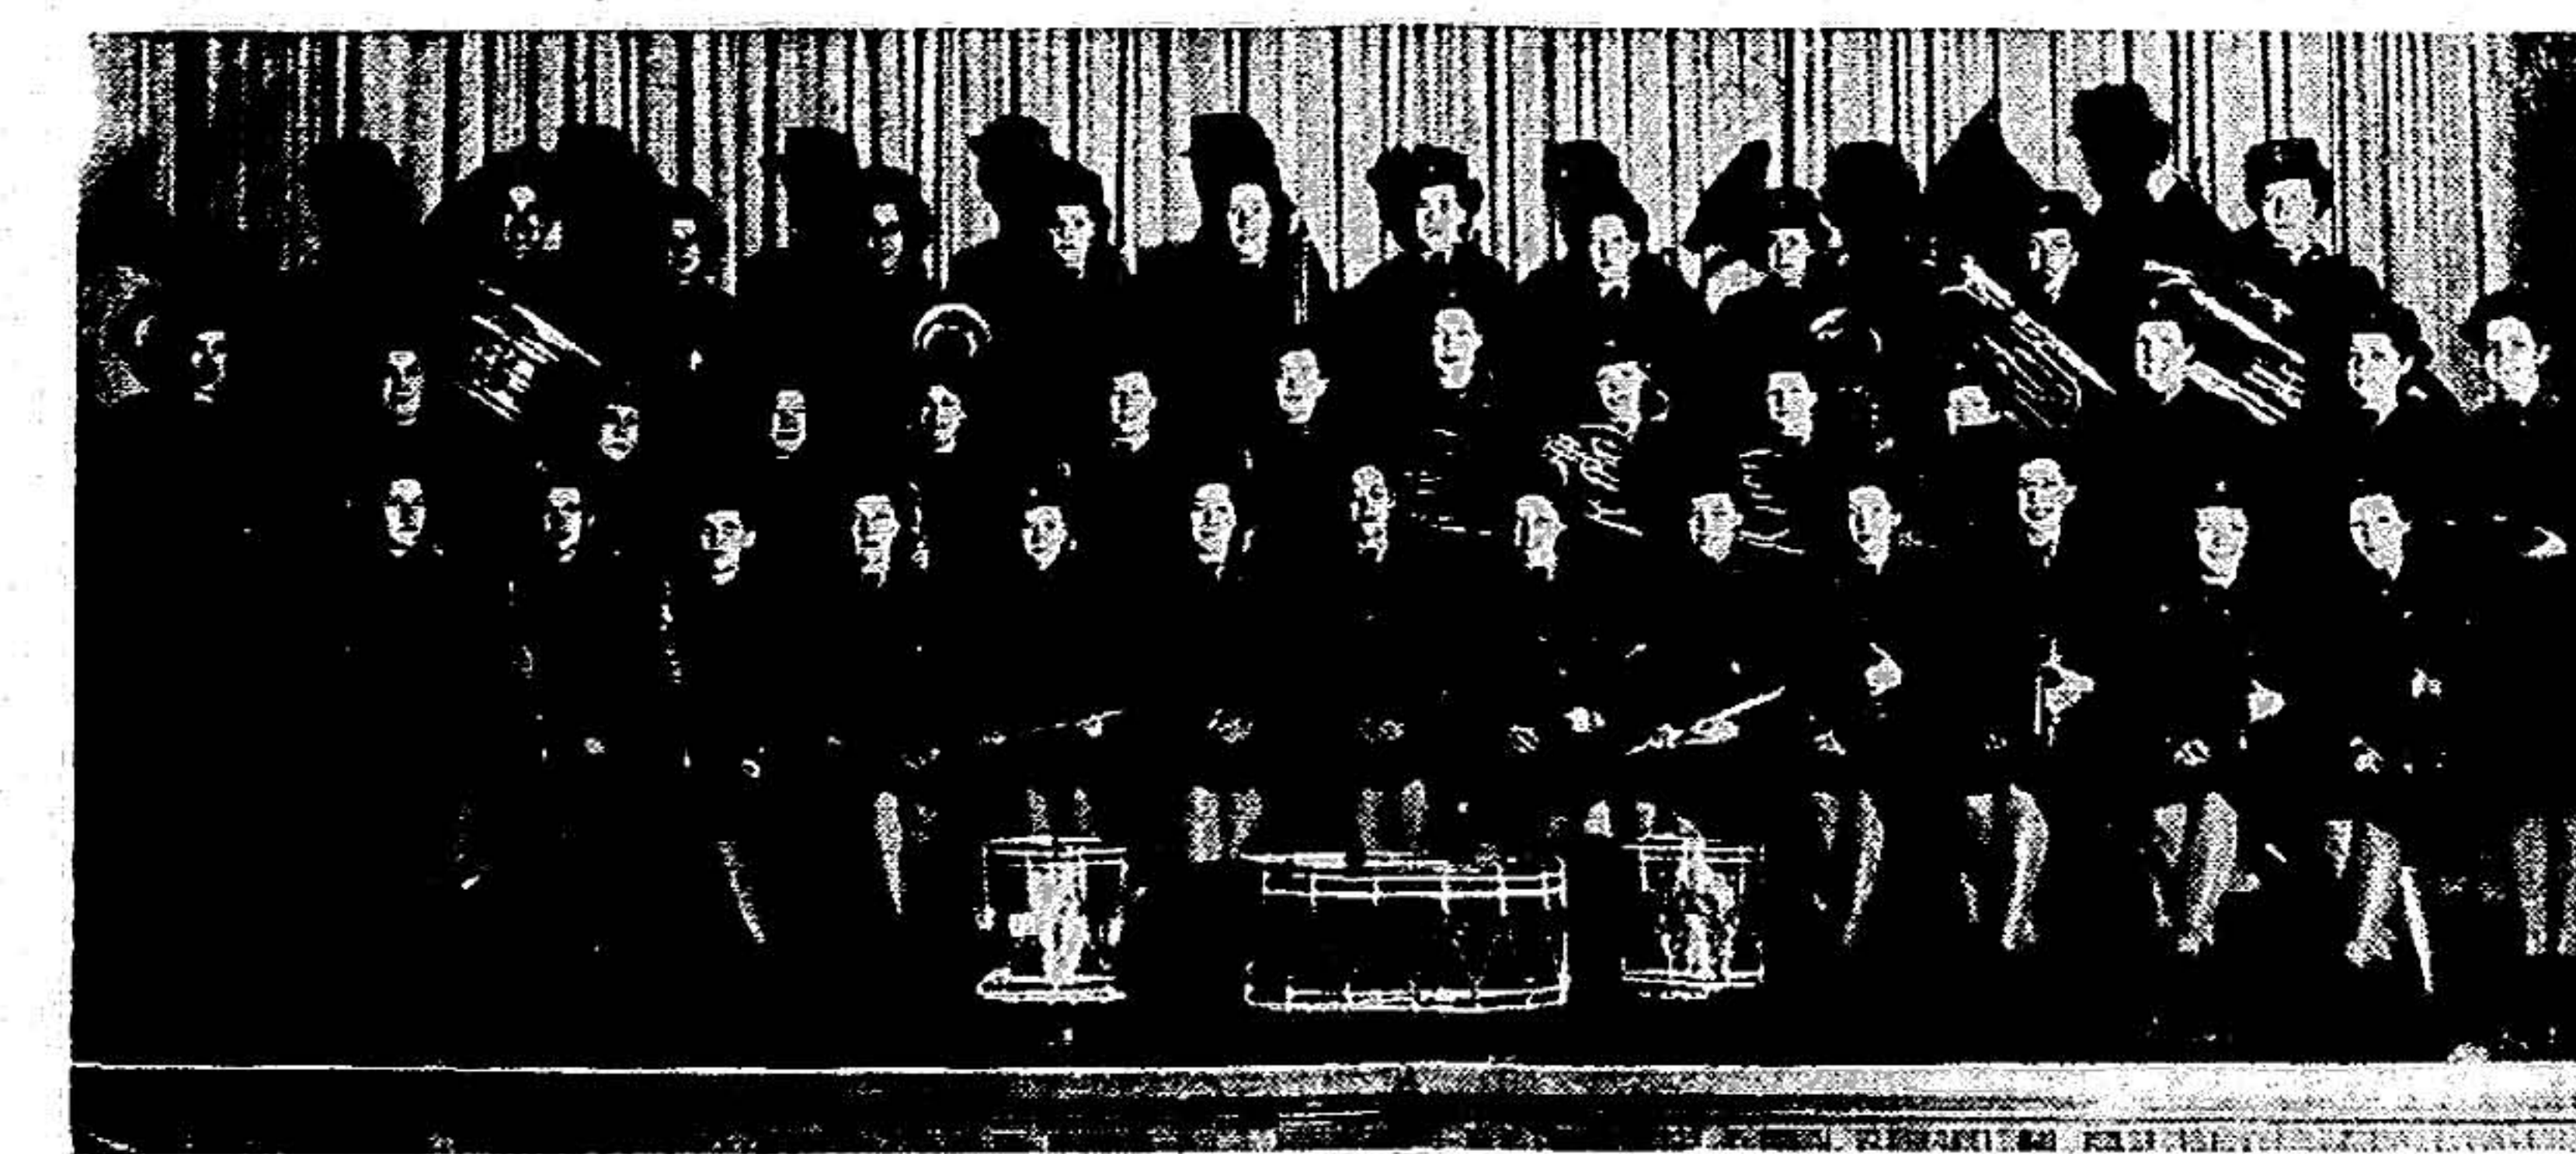

## DENTIST BREAKS WRIST

While getting ready to attend church on Sunday morning, Dr. C. S. Gilbert, Newmarket dentist, slipped on a rug in his home and fell, breaking his wrist. Dr. G. E. Case attended him.

## BAND OPENS TOURNEY

The Dominion day lawn bowling doubles start at 9:30 a.m. on Saturday. Forty doubles teams are entered. Newmarket training centre pipe band will open the day. The public is invited.

## MILITARY BAND WILL COME TO NEWMARKET

The Canadian Women's Army Corps military band will give a concert at the Newmarket fair grounds on July 7 at 8 p.m. in the interest of a dominion-wide recruiting campaign for replacements for the C.W.A.C.

## MARY MURDISON TOPS CLASS AT UNIVERSITY

Mary E. Murdison, daughter of Mr. and Mrs. Andrew Murdison, Newmarket, has been awarded the Reuben Wells Leonard scholarship valued at \$250 and the Maude Charlton Gibson scholarship in household economics, at University College, University of Toronto.

Miss Murdison, brilliant 1943 graduate of Newmarket high school, received a letter of congratulation from Principal Malcolm W. Wallace on standing first in first-class honors and winning the two scholarships.

## JOIN FIRE BRIGADE

New members of the Newmarket fire brigade are Joe Peat, Seneca Cook and Lyle Bond.

## Full Program Assured For Dominion Holiday

A mass demonstration of Canadian army fighting vehicles will feature dominion day celebrations on Saturday at Newmarket military camp sponsored by the Citizens' Committee. The proceeds will be used to provide comforts for the camp.

The celebrations will be initiated with a giant parade down Main St. Saturday morning. Military units will leave the camp at 10:30 and will join with the Newmarket Veterans and school children downtown for the march past the saluting base at the King George hotel. Following the parade, an all-day sports program will be launched, featuring boxing bouts, baseball and tug-of-war contests between the services.

Also included on the program are drill competitions and gas chamber demonstrations. A two-hour vaudeville show will be put on in front of the grandstand in the early evening with a dance to follow.

Spectators are asked to bring their lunch and dinners and picnic on the grounds. Authorities have advised that there will be plenty of hot water and refreshment booths available. Admission is through the main gate of the fair grounds.

Veterans, service men and women, and children who participate in the parade are admitted without charge.

## TOWN SCHOOL PUPILS STEAL FLOWER SHOW

Judges and officials were pleasantly surprised at the enthusiastic turn-out of entrants and spectators at the annual Newmarket Horticultural Society peony and juvenile show, held in the United church Sunday-school rooms on Thursday evening.

Officials worked hard, but as Chas. Dodson, Aurora, judge of the flower show, stated with a happy smile on his face: "It's worth all the hard work you put into it when you hear all that chatter of children and grown-ups. It's like music in my ears. I wish that we, in Aurora, could have a turn-out like this to one of our shows."

It was a great sight. Exhibits of flowers, drawings, biscuits, muffins (and don't think the boys didn't have a share in them), bird-houses and bird-baths, children shouting gleefully over their prizes, grown-ups admiring the displays and the distributing of prize money took one back to the days when Newmarket had an annual fair.

Judges of the juvenile show were: Mrs. Frank Hodge, Mrs. W. R. (Page 2, Col. 4)

## Scoutmaster Budd Is Honored At Open Night

Newmarket Scouts and Cubs performed before an appreciative audience on Friday evening. The Scout hall was filled to capacity.

Highlight of the evening was a surprise presentation of a lamp and a set of pillows to Scoutmaster and Mrs. B. A. Budd.

The Cubs' presentation of "The Snowball," a story that grew, was excellent. Those taking part were Lorne Garrett, John Eustace, Don. Budd, Don. Cockburn, Don. Langton, Jim Smart, Don. Brice, Bob Slickland, Jack Shropshire, Jim Hodgins, Jerry Hugo, Harold Simmons, Allen Jackson and Lorne Wass.

The story started when Bob Grey (John Eustace) refused some candy because he wasn't feeling too well. By the end of the story he had, it was said, murdered his whole family, and he was about to be taken to jail when the family appeared.

The Scouts presented "Jack and the Beanstalk" in entertaining fashion. Those taking part were George Case, Fred Palmer, Don. Coveney, Ian Brown, Jack Sine, Ken. Budd (Mrs. Flip), Robert Budd (Mrs. Flop), Ron. Brown and Don. Nelson (fore and aft parts of Antonia the cow), Ken. Hunter and Paul Morton (top and bottom parts of "the giant"), and Bruce Burch.

Robert Martin, president of the Newmarket Boy Scouts Association, presented badges and prizes.

Prizes and medals for attendance and neatness went to Scout Ronald Coveney and Cub Donald Budd. Runners-up were Scout Ted Arthurs and Cub Jamie Smart.

The prize for selling the most tickets (44) went to Scout Ronald Coveney. The high Cub was (Page 8, Col. 1)

## COLLEGE OLD BOY IS MISSING

P.O. William J. D. Charles, a former student of Pickering College, Newmarket, has been reported missing following operations over enemy territory on May 22. P.O. Charles enlisted in April, 1942, and received his wings at Eggersville. He was captain and pilot on a Lancaster bomber.

His mother, Mrs. V. A. Hallworth, lives on Cheriton Ave., Toronto.

## Tom Smith Visits Home After France And Italy Service

Home after four years of warring in England, Sicily and Italy, Cpl. Tom Smith met his four-year-old daughter, Juanita, for the first time last Friday.

"She wouldn't speak to me at first but now we get along fine," said Cpl. Smith. "She's with me all the time." He dropped in at The Era and Express office to say how welcome the town newspaper was to the soldiers overseas.

Cpl. Smith went overseas in 1939 with the 48th Highlanders. He was with the regiment in all its travels, from the abortive trip to France at the time of Dunkirk to the 48th's triumphant march through Italy with the eighth army. Hospitalized at Ortona, he was sent first to England and then was able to catch a boat to Canada "by the skin of my teeth."

Cpl. Smith has a month's leave in Newmarket and then will report to Camp Petawawa as an instructor in handling mines and booby traps, which was his job in Sicily and Italy. Describing his experiences at the front, he said, "The Jerries mine everything that they think we might touch. They even mine their own dead."

Of the invasion of Sicily, Cpl. Smith told how the 48th embarked a good month before they landed in Sicily. "We cruised off the Scottish coast where there was a stretch of land similar to where we would land in Sicily. We practised landing schemes off that coast until we knew every move in our sleep. We had very little trouble in the actual invasion of Sicily. The worst part of it was waiting for the word to go."

Proud of the part played by the first Canadian division in Italy, Cpl. Smith, like the other men in his regiment, prefers to wear only the red flash rather than the insignia of the eighth army.

"The eighth army is tops, but the first division is good too," he declared. "We held our end up without any help."

When the Allied armies first entered Italian towns and cities, they found absolute poverty, Cpl. Smith said. "The women and children were without clothes other than old rags. They were underfed and living in unsanitary hovels. The years of Mussolini's regime had literally ground them into the dust."

"But there is a good chance that the Italians, knowing now what they can expect from dictatorial regimes, will turn again to democracy, this time to stay."

Cpl. Smith had praise for the Allied commission which follows the troops and helps restore towns and cities to normal life. "They feed and clothe the Italians, clean out Fascist leaders and restore law in a very efficient fashion," he said.

Cpl. Smith told of meeting a Newmarket athlete, Doug. May, who, he said, was in good health when he last saw him. L.-Cpl. May has been injured twice.

Tom Smith first came to Newmarket with his parents when he was a small boy. Educated at Alexander Muir and King George public schools and Newmarket high school, he worked at York County hospital prior to enlisting on Sept. 13, 1939. His parents, Mr. and Mrs. Harry Smith, live on Gorham St.

Mr. and Mrs. Smith, their son, Billy, 11, and Juanita, live on Charles St.

### SOLDIER PENSION

Advertising should adhere to the truth, just as news should adhere to the truth. An advertisement in the press says that "overseas men preferred" will be "the attitude of post-war employers." The wish is the father to the thought. The unfortunate truth is that in many instances overseas men will not be as employable as other men. Many men who will not have suffered any injury or shell-shock or other tangible damage will as a result of their years of army life or their war experiences be less able to settle down to a "steady job." It was so after the last war and it will be so after this war.

It would be better, it seems to us, if the government would recognize the facts and give every man who has given voluntary service in the armed forces, whether at home or abroad, a permanent partial pension which would compensate him to some extent for his time lost from civilian life and for the extent, whether any or not in the particular case, to which he is less employable.

There is another reason why the soldier should have pension recognition regardless of tangible disability. It is because it would be unfair to ask employers to discriminate against non-soldiers.

Those who do not serve as soldiers have good reasons for not doing so. They have physical disabilities or civilian responsibilities which they cannot leave or jobs which need them more than do the armed forces. It is natural that employers would want to employ former service men where they can do so, but they will not discriminate against non-service men any more than they did after the last war.

The service man should have pension recognition, to make up for the promotions he missed or the experience and civilian opportunities he missed, and should not be dependent on any employer sentiment. Then he can stand on his own feet, and make his own way, without feeling that he is getting a break at the expense of some fellow who for sufficient reason did not or could not serve in the armed forces.

### FAMILY ALLOWANCES

Announcement of family allowances to begin next year has started a debate on whether people will spend money wisely on their children or whether they will squander it on themselves. There is room for argument. It is to be borne in mind, however, that in addition to these small sums that are to be put into the hands of parents to spend as they see fit, there are other public funds that will be spent by public bodies on behalf of our children and young people. There are, for instance, the increasing sums that are to be spent on education—to give every child an educational opportunity equal to his or her ability. There are the public funds that are to be spent on health and recreation facilities.

Once Canada has created a generation on the equal educational opportunity basis, all parents will have approximately an equal opportunity of spending their children's allowances wisely. In the meantime, our governments (the King government in the promise of children's allowances, and a national health program, and the Drew government in the promise of equal educational opportunities) seem to be acting reasonably wisely in the initiation of a program of producing better citizens.

## THE BIRCHARDS OF BIRCHARDTOWN THE FOUNDERS OF MOUNT ALBERT

By J. M. Walton

This community was established by a family of Quakers who came to Upper Canada from Vermont. Samuel Birchard and Rufus Birchard bought 200 acres from John Allen Haight, by deed dated the 19th of March, 1821, but receipts and other documents show that the Birchards came to Upper Canada in 1814 or 1815.

Israel, another brother, joined them a year or so later, and he bought the farm on the crown of the hill south of Mount Albert. Photographs of the original Samuel and his wife, Ruth Pearson Birchard, in quaint Quaker costumes, are in the Archives of the York Pioneers at Sharon.

Ellen Birchard, the mother of James H. Birchard, was a sister of Mrs. Pickering of Zephyr. Ellen's mother was Mary Moore Morrison, a sister of Sir John Moore, famous in song and story, who was killed at the battle of Corunna during the Napoleonic wars. Ellen was the youngest of the family and Sir John was the oldest. Two other brothers were killed in the same war.

Mary was born at Belfast, Ireland, and her husband was a Scotchman. They came to Canada and settled at Montmorency, near Quebec. They were three months crossing the Atlantic and when they were about half way across the ocean a storm drove them back to within about 90 miles from their starting point.

They soon left Montmorency and went 30 miles south of the St. Lawrence river, where they bought 300 acres of land. Here Ellen Morrison was born. They were the only Protestant family in the district. The father was a full-fledged Free Mason and all the neighbors were Roman Catholic. He saw that there was no one but of that faith for his daughters to marry and he decided to move to Upper Canada.

When this became known in the community no one would buy his property and he had to abandon it. They came to Scott township and bought 200 acres (lot 24 in the first concession).

Isaac J. Birchard was a school teacher, one of the best Ontario ever had. He was the author of an authorized textbook in arithmetic. His two sisters were also school teachers and the intellectual standards of the family were high.

The first Birchard came to America in 1636 from Sussex, England, and settled in New Jersey and the first land they bought has remained continuously in the name of Birchard to the present day. The family increased and went north and west, and members filled many offices in the government and the army during the Revolutionary war. Elisha Birchard, accompanied by two brothers,

went into Vermont, but they were both killed in the war.

Samuel Birchard was born in Vermont in 1789 and later came to Upper Canada, where he married Ruth Pearson on the sixth concession, known then as James Corners. Members of the Birchard family have filled official positions in the U.S.A. One was governor of New Jersey, one district attorney of New York city, another director of the mint under President Grant and Matthew Birchard of Ohio was a judge of the supreme court. Vice-President Rutherford Birchard Hayes came from this line.

The family annals show that none of its members has ever been in prison or convicted of crime but the family historian who gives this report says quaintly: "There is a possibility they have been too sharp in being caught."

In a letter from Kenosha, Wisconsin, addressed to Miss E. Leek, Mount Albert, in 1937 this additional information is found. The name of Mount Albert was originally Birchardtown, later the name was changed to Newlands and at the time of the visit of the Prince of Wales to this country it was renamed Mount Albert.

The Birchards like other Quakers were strong on the matter of education and one of their first acts was to give a deed for a school site and the community was to have it "as long as grass grew and water ran down hill." The first school building was of logs but later a new school-house was needed and a new location was chosen. When the emigrants arrived in Upper Canada they made their way from York to Hope, the place now known as Sharon.

From there they cut out a road by hand to their new home, now Mount Albert and carried their chattels on their backs. They were greatly bothered by wolves and bears, and the livestock suffered on their wilderness homesteads. To keep the animals away from the flocks the wife used to blow a long tin dinner horn. They were only able to raise one lamb a year for the first two years.

Such is the scant history gathered here and there, on one of the oldest families to settle in this part of Upper Canada. We trust that others may be able to add to the history of this fine family who are well worthy of a place in the York Pioneer history.

Photographs of the pioneer Birchards have been donated to the temple historical collection at Sharon. W. H. Birchard, who owned and operated the Aurora electric light plant for many years before Hydro came, was one of the descendants and he raised three sons and a daughter, who are highly respected.

After a certain trench raid during the World War an A.E.F. surgeon told the chaplain that one poor fellow was quite beyond hope. The chaplain leaned over him: "My dear fellow, you are badly wounded. Have you anything to say, or any word you want to send to your family?"  
"My inside coat pocket," breathed the soldier painfully.  
The chaplain felt a pocketbook, and took it out. "Is this what you want?"  
"Yes, open it."  
"Here's a ten-dollar bill. Is that what you want?"  
"Yes," said the soldier, in a whisper. "Bet you that I don't die." And he did not.

**THE COMMON ROUND** By ISABEL INGLIS COLVILLE  
**IN SPITE OF THE WEATHER**  
No doubt many of you heard, as I did, a news commentator say that he often offered a weather report promising "fair and warmer," while outside the rain poured down and a vicious north wind shivered up people's joy in June.  
So that, although we Institute members tried to be optimistic and visualize a warm, sunny day for the third Tuesday in June, yet clouds would float across our vision and we walked softly for fear they would spill their contents upon us.  
So when the morning dawned and we looked for the promised sunshine and found instead the sympathy of rain pouring on the already soaked earth, we relinquished the thought of our Institute picnic with tables under the trees, the scent of roses in the air and the song of birds to provide an orchestral accompaniment to our repast.  
However, rain or shine, the Institute meeting must go on, so, in truck and car we journeyed to the Williams' home, wondering if many would be there and found a full attendance.  
This was heartening and we decided that the next best thing to an outdoor picnic was an indoor picnic. It proved to be an exceedingly interesting meeting as well, for it had features not usual to the regular meetings.  
We had two very interesting reports—one given by Mrs. G. McClure—this was the report she gave at the district annual, which gave a full and interesting resume of the year's activities.  
While we are doing work, we hardly realize how it mounts up, but when its cumulative effect is experienced we feel a warm glow of something worth while accomplished and the desire grows to do more and even better.  
Then Miss Lenora Starr, our district representative, gave a splendid report of the D.A. It's too bad that ALL Institute members cannot attend this meeting, but the next best thing is a detailed and interesting report. We had a good contest too—finding place names.  
Then came a very pleasant departure from our regular Institute meeting routine. We had with us Mrs. Gordon Hill and Mrs. R. Pritchard of Newmarket. They came to present certificates and pins from the Red Cross to those who had taken the course through the winter.  
Mrs. Williams presented her pupils and Mrs. Earl Toole, hers.  
We who received them felt proud to be of the great army of those who are at least partially equipped to aid in time of need and who also feel better equipped to meet the various emergencies which arise in the home.  
For instance, I tried to cut my finger off and had a splendid chance to dress and bandage it and also to reflect on the painful and bloody effects of carelessness.  
Mrs. Pritchard presented the certificates and Mrs. Hill the pins, and it was done in such a delightful way that we all felt like knights receiving an accolade.  
Mrs. Frank Williams moved a vote of thanks to Mrs. Hill and Mrs. Pritchard and Mrs. Earl Toole added a few words to the same effect, and Mrs. Elmer Starr spoke in appreciation of Mrs. Toole's and Mrs. Williams' efforts on our behalf.  
The meeting closed with O Canada and God Save the King and then we were called to supper.  
One has heard of groaning tables—well, these were that! Our Institute, as a rule, is very modest in its wartime lunches, but this being a picnic, we let ourselves go, and the result was a feast.  
It was a meeting which left one with the pleasant sense of Institute sisterhood—a oneness of purpose. Several new members joined our ranks and we started on a new Institute year, with courage and hope to do our utmost to live up to our motto—For Home and Country.

**JAM FOR BRITAIN IS UNDERTAKEN BY W.I.'S**  
(By Lenora Starr, Newmarket Red Cross)  
Plans are off to a good start for the 1944 Red Cross "Jam for Britain" project which has been carried on in co-operation with the Women's Institutes since the summer of 1940.  
To date approximately 90 branches have indicated that they intend to take part, and tins, cases, labels and recipes have been sent to all those planning to make jam. Special sugar permits and regulation forms, the latter to be used in purchasing honey or factory-made jam, are available upon application to the nutrition department, Ontario division.  
If your branch intends to co-operate in this worth-while project, but has not yet ordered tins, permits, etc., you are urged to do so immediately in order to allow time for delivery and thus avoid delay at the vital time when the fruit is at its best. Money donations received so far this spring total over \$2,000 and the first order for 180 cases or 8,640 pounds of factory-made jam has already been placed.  
Hundreds of appreciative letters from grateful recipients in England tell us how much these donations of jam have meant to them. We know that, in some cases, jam bearing Red Cross labels has actually saved lives, when it was the only form of sugar available to treat cases of shock suffered as a result of the blitz.  
Although we trust that these terrible days are over, the need still grows in Britain, and to this end the overseas commissioner is asking the Canadian Red Cross for 400,000 pounds of jam and honey again this year to supply civilian victims of war, war-time nurseries and Canadian troops in military hospitals. Ontario's share of this quota will be 260,000 pounds. May we count on you?  
Newmarket Red Cross has received gifts of \$25 from the W.A. of Trinity United church and \$5 from Mrs. C. L. Davies, Gorham St.

**A BEACON OF LIGHT**  
Sandy was a leader of the kirk. His increasing redness of nose very much alarmed his brother elders, and a delegation waited on him to inquire the reason for the increasing color. Sandy explained thus: "It is glowing with pride at never putting itself in anybody else's business."  
"Oh John—look at that cute little hat in the window. Let's go buy it." "Yes, darling—right by it."

**Boys From Newmarket Meet In Sunny Italy**  
"An un early this Sunday morning, so thought it a good opportunity while everything is quiet to drop my friends, the Lions, a line of thanks and appreciation for the 300 cigarettes I received from them this past week," Cpl. Earl (Tommy) Thompson writes in a letter from Italy to the Newmarket Lions club.  
"Even though being a few thousand miles from dear old Canada, home and friends, it puts joy in our hearts to know we have not been forgotten, and gives all of us the courage we need to carry on and see this thing through to a successful end, so once more those of us that have been most fortunate may return to enjoy the freedom and beauty of our home and native land."  
"Even though I am a non-smoker, it relieves one to know that I am along with others have not been forgotten, so on behalf of the boys that had great pleasure in smoking a good Canadian cigarette and myself I say thanks a million. Knowing you have a very large list to keep supplied and in view of the fact that I am a non-smoker, I request that on future occasions of this nature that you take my name from the list."  
"The Lions are a great organization and one that deserves many thanks for the joy they have given thousands of soldiers overseas, not forgetting the good work that was done by them before that was done by them went into full swing."  
"The weather over here is just fine," writes Cpl. John Caradonna from Italy. "You have probably heard the old saying, the sunny land of Italy. I was almost convinced differently about two months ago. We had nothing but rain and snow. I thought for a while we were never going to get any sun at all."  
"I was talking to Cpl. Tunstead, who is in the same unit as I am. He is a very fine fellow, always full of laughs and jokes. I was working with him for a few days, one of the best times I've had in this country."  
"I also bumped into Jimmy O'Halloran the other day, which was a big surprise. He was telling me all about his experiences when he was at front. He is back in a rest camp, looking fine and well."  
"At present all the boys are still keeping in fine health and are just anxiously waiting for the day to come which we've been looking for." Pte. Howard Sutton writes to the Lions club. "We are still enjoying some real nice summer weather with the odd little down coming along, but what could we do without a little rain once in a while."  
"Have been receiving the town paper quite regularly lately and sure appreciate having them come along—keeps one informed of just what's going on around home."

Sunday morning a number of men from points in King township and Aurora, who are members of C Coy, joined in a church parade to the United church. An inspiring sermon was given by Rev. Mr. McEwen.  
Capt. B. L. Sharpe, Toronto, D.C., headquarters company, was in charge of the parade. Lieut. J. L. R. Bell of Newmarket, acting as platoon commander, Lieut. F. D. Babcock of Aurora and Lieut. D. E. Wade of Bradford were in attendance.  
After the service the men paraded to the market hall where lunch was served. The ladies of the Victory club supplied the refreshments.  
In the afternoon a line scheme was carried out by the signallers or the agricultural grounds. The boys of the village were interested spectators of the afternoon's work and each station had its group of watchers. The signalling training was under the direction of Lieut. E. G. Lloyd, signal officer of the battalion. Supper was supplied by the Girls' Knitting club.  
Humor and common sense saved Calvin Coolidge from the blight which all too often lays itself upon men elevated to great power—the fatal influence of an inflated ego.  
Once a friend of the president came upon Mr. Coolidge taking a nap in the executive offices at the White House.  
As Mr. Coolidge sat up and rubbed his eyes, he thought he detected a slight expression of disapproval on his friend's face. Whereupon he grinned and asked, "Is the country still here?"

SARDINIA LOBSTERS

"Please thank your members for the gift of cigarettes," writes Staff-Sgt. J. R. Eustace from overseas to the Newmarket Lions club. "I always look forward to the Newmarket Era and Express. Have been receiving it quite regularly. Can't say very much these days but am keeping fit and on the job. Everybody is looking forward to the day—the day which will start the end of the war."

"Life is very good in Sardinia these days," writes Squadron Leader Gordon Ough to the Lions. "Plenty

of sunshine and plenty of food, especially fresh lobsters, which are conveniently abundant in the sea close by."

"Am feeling fine and have no complaints, but will be glad to come home when the time comes," writes Rfn. G. F. ("Buck") McArthur from Italy. "I've run into the odd fellow from Newmarket. They are all in good shape. Give our regards to the people at home, and thank you all very much for the smokes. Hope to see you all in the not too distant future."

"I wish to send my greetings and best wishes to all the Lions for the good work they are doing for the boys overseas," writes Sgm. F. H. M. Boyd from Italy.

"It is really nice to know that the people still remember us when we are so far from home and in a country where we cannot buy any cigarettes or anything," writes Sgt. R. H. McCannan from Italy. "I can't express my appreciation for the wonderful job you are doing in looking after our boys while we are away."

"I have been in the hospital for three weeks with a small leg injury. I am leaving here tomorrow as good as new again and ready for another crack at them as soon as I get up there again."

Cards of appreciation have been received from Sgt. W. F. Armour, Eugene Burrows, Jim White and Lieut. G. R. Foster.

TO HEAR FROM LIONS

"You don't realize how much the cigarettes mean to us over here," Dvr. G. E. Myers writes in a card of appreciation to the Newmarket Lions club. "What with the climax of this war approaching a vital stage, we really depend on a good smoke to steady us."

"Smokes are always a great morale-booster," writes Capt. G. A. Crutcher from Italy. "Please remember me to all my friends in the club. I get the Newmarket paper, so keep in touch with your doings. Maybe in a few months we will all be back in town."

"It is a real treat to have Canadian cigarettes down here and we really appreciate them," writes Pte. J. R. Blencow.

"Received your carton of cigarettes and want to take a few lines to show my thanks, even though I could not thank you all enough for the fine work and your sincere kindness to me while away from home," writes Pte. Verne Mosier. "Things are again coming along swell. We are coming closer to being back to the old home town. Roy, will it ever be swell to be back."

"I am getting married soon. She is a swell girl and I am sure you all at home will be pleased to see her."

"Many thanks for cigarettes received last week," writes Pte. Percy Deavitt. "Have been somewhat busy and moving around the last few weeks but getting along fine. My best regards to members of the Lions club."

"Your organization is certainly doing a wonderful job for the boys over here," writes Cpl. Kenneth Mitchell. "Maybe we'll get a chance to help the cause at some later date."

A card of appreciation from Sgt. Albert Lindenbaum had on it a footnote from Pte. Ang. West, Lion, expressing the hope that "Tom" (T. F. Doyle) was feeling better. Mr. Doyle is secretary of the Lions club.

Cards have been received from Pte. J. A. ("Andy") Cullen, Rfn. M. F. Wesley and Sgt. G. E. Boyd.

SHARES CIGARETTES  
IN HOSPITAL IN ITALY

"This will just be a note to thank you for the cigarettes which I received from you," writes Pte. Roy Bennett, who was wounded in Italy, to the Newmarket Veterans' Soldiers' Comforts fund. "The cigarettes were forwarded to me from the regiment and I received them yesterday here at the hospital. Canadian cigarettes are quite scarce at the hospital, so the boys are always glad to get them. I shared them with some of the others from the regiment who are here with me."

"It is certainly swell to hear

from the folks back home. A couple of months ago the parcels and cigarettes were getting ahead of the men in the post office and they asked for volunteers to help sort them. In the one day that I helped I saw several parcels of cigarettes from the Newmarket Veterans and that was only in one post office. So you are sure keeping them coming.

"I have met several Newmarket boys here in Italy. I saw Cliff Barker but didn't get a chance to talk to him. I met Art Lee a couple of times and last night I was surprised to run into Jack Luesby. I have also seen a number that I met at the Newmarket camp."

"You chaps who were away overseas during the last war will know what I mean when I say that it gives you a 'good' feeling inside to receive parcels of cigarettes from the people back home," Flt.-Lieut. Jack Malcolm writes from India.

"Being Veterans you will know the comfort and assurance it gives us to know the folks at home are thinking of us and doing their bit to bring victory as soon as possible," Pte. Clifford Ward writes the Veterans. "The weather here has been like July lately and we have been playing football for some time and have quite a number of good teams. Sgt. Davidson of Mount Albert is here with me, so see him quite often. I hope to meet more chaps from our neck of the woods, as it is nice to talk with someone you know."

## SHORT 'N' SWEET

"I know a good joke about crude oil."

"Spring it."

"It's not refined."

## BROADMINDED

"Your wife is very broadminded, isn't she?"

"Oh, yes. She believes there are two sides to every question—her own and her mother's."

Would Be Nice To See  
Canada Again—Soldier

"You 'old vets' can rest assured that all the lads over here really appreciate what you are doing for us," writes Gnr. L. F. Brown to the Mount Albert Veterans' Association. "We trust that when the day comes we can really step in and do as good a job as you all did when you were over here where we are now. That is about the only way we shall be able to show just how much we think of your kindness to us and you can bet your last dollar that the Canucks will not let you down. Just how could we when all have so many good friends back home who are backing us up?"

"The weather is quite nice now, although we have been getting quite a bit of rain, but that is to be expected and it is needed badly. We have had quite a few raids here, as you no doubt have read, but they are nothing compared to what our boys are giving them. I sure hope that this war will soon be over so that we can all come home again. It sure would be nice to see a bit of Canada for a change."

"At present I am a couple of hundred yards behind the infantry," Pte. Elmer K. Rose writes the Veterans. "We sure have lots of noise."

NEWMARKET AIRMAN  
ENJOYS DAY'S REST

"It was indeed thoughtful of you to send me cigarettes which I received recently," writes LAC W. S. Janes from overseas to the Newmarket Lions club. "That is one thing above all others that I think smokers on this side appreciate. Chocolate bars and other eatables are nice to get but smokes are all and priority. The ones sold on this side are definitely ropy and expensive."

"At the time of writing I'm taking a sunbath out in the 'backyard.' Am having a day off and am stretched out on a mattress behind our hut soaking in a little sun. It's the first time that the weather has been suitable. Whether the local folks approve of airmen lying around half naked remains to be seen. I'm well acquainted with most of the natives, so I'm sure to hear about it. To me it signifies the beginning of summer."

"I'm quite happy and comfortable in my present location. Hope I can spend the summer here, but it doesn't seem very probable at the moment. We get moved around quite a bit."

"It sure is swell to get some good Canadian cigarettes, especially when on operations," writes A.B. Fred. Bray.

## 25 YEARS AGO

From The Era and Express files, June 27, 1919

The Wm. Cane and Sons Co. are building another large underground reservoir which will be filled with soft water and used for boiler and other purposes on their premises near the Keith bridge.

All the public school teachers were re-engaged at an increase in salary of \$50 at a public school board meeting last week.

This has been the hottest June in 80 years.

## OPTIMISTIC

A farmer had been to a fair and bought a horse. After stabling it, he gave it some feed. The animal refused to eat. A little later it refused water.

The farmer's eyes gleamed hopefully.

"It's only this horse is a good worker, what a bargain I've made."

TO MARKET,  
TO SELL A FAT PIG!

Well, not yet. These two little fellows will consume a lot of feed grain before they're transformed into rashers of bacon. There will be tens of thousands of these little porkers that will require a huge tonnage of feed grain if Canada is to produce the annual bacon complement of 450 million pounds minimum to Britain, plus this country's own requirements. Actually Canada may produce this year 600 million pounds for Britain alone. This means a sizeable feed financing program.

Farmers are talking it over with their friendly financial adviser, the local branch manager of this Bank—and coming away happily satisfied that the job can be done.

In The Bank of Toronto's branch manager they have found a man who knows finance as farmers know farming... a man with the facts, figures and facilities to help form a practical program... a man who is available to Canada's enterprising farmers at any time.

## Use CERTO and get ONE-HALF MORE JAM or JELLY from the Fruit you buy

MAKE your jams and jellies with Certo this season and you'll put 50% more jam or jelly on your pantry shelf than you will if you use the old-fashioned, long-boil method.

And with Certo you'll not only get extra quantity but extra quality, too. For Certo jams and jellies taste far better—look more appetizing. You make them in about one-third the time and you get sure results.

### Why Certo is Such a Help in Wartime

**CUTS DOWN BOILING TIME**  
Making jam and jelly with Certo is quick and easy. For jam you need only a one to two-minute full rolling boil... for jelly only a half-minute to a minute. This saving of your time, energy and fuel is important in wartime.

**MORE JAM OR JELLY**  
The Certo bottle is so short that practically no fruit juice can go off in steam as it does during the old-fashioned long boil. The saving is so great that you get about one-half more jam or jelly without any increase in the amount of fruit you use.

**NATURAL TASTE AND COLOUR**  
The short Certo bottle does not affect natural fruit taste and colour as long boiling does. Jams and jellies made with Certo retain all the luscious taste and colour of the fresh fruit.

**SURE RESULTS—NO GUESSWORK**  
With Certo you get a book of tested recipes—a different recipe for each fruit. Follow exactly the recipe for the particular fruit you are using and you can't go wrong. You'll make delicious jam or jelly with the greatest of ease.

**WHAT CERTO IS**  
Certo is fruit pectin—the natural jellying substance in fruit—extracted from fruit in which it is most plentiful. It allows you to make jam or jelly from fully ripe fruit instead of the under-ripe fruit called for in old-fashioned recipes.

Look for Book of 72 Tested Recipes under the label of every Certo bottle.

A pound of jam or jelly made the Certo way contains no more sugar than a pound made the old, long boil way.

## Nine Puzzlers Solved Ten Classified Words

Last week's contest was really difficult. Only nine contestants were successful in discovering the key. In case you are wondering, military style meant that the alphabet was divided into two groups, a, c, e, etc., and b, d, f, etc. Each division of the alphabet was in a different code. Mrs. E. Vernon, Mrs. Elias Smart, 1 Tecumseh St., Mrs. Dorothy McCann, Mrs. W. O. Carruthers, Mrs. Arthur Brice, 79 Andrew St., all of Newmarket, should enjoy their double passes this week. They certainly worked for them. They may pick up their passes any evening at the Strand Theatre.

The other four persons whose answers were correct have been given a credit in the puzzle editor's file.

"Lady in the Dark" starring Ginger Rogers and Ray Milland, and "Klondike Kate" promise to be good entertainment on Tuesday, July 4. Or "In Old Chicago" starring Tyrone Power, Alice Faye, Don Ameche and Brian Donlevy, and "Banjo on my knee," starring Barbara Stanwyck, Joel McCrea and Walter Brennan, on Thursday, July 6, may be the choice of some of the winners.

The correct answers were: accessories, radiator (or radiators), permanent, commercial, representative, companion, perfect, lineal, raspberries and cosmetics.

## THIS WEEK'S CONTEST

"Women in Bondage" starring Gail Patrick and Nancy Kelly, and "Fired Wife" starring Robert Paige and Diana Barrymore, are offered at the Strand Theatre for Tuesday, June 21. "Where Are Your Children?" starring Jackie Cooper and Patricia Morison, and "Sherlock Holmes and Spider Woman," starring Basil Rathbone, are on the Strand program for Thursday, June 23. The five winners of this week's passes may have their choice of either program.

Contestants are asked to send their entries in on a slip of paper four by two and a half inches (4"x2 1/2"). Entries must reach The Era and Express office by 9:30 Tuesday morning and only one entry will be accepted from any one family or household. Entries must be in the contestant's own handwriting.

The ten classified words this week have been scrambled. Here they are: NTAET, OCNIRDES, GADNEI, DDOWSOHE, FSRCCIEA, TLSCSO, LNTERA, DKWLGEEON, DML-ETH, YDMREE.

## FORMER SUTTON LADY RECEIVES MERIT BADGE

A former resident of Sutton West, Mrs. A. M. Horner, Khedive, Sask., was presented with the Canadian Red Cross badge of merit by Mrs. Robt. Pow, president of the Khedive branch of the Red Cross.

The badge is given for long and continuous service to the society. Mrs. Horner's name was engraved on it.

Mrs. Horner is over 70 years of age. She does her own house work and in her leisure hours has knit more than 100 pairs of socks and a large number of mitts, as well as making pyjamas and other garments.

Mrs. Horner has also made several fancy quilts which she gave to the Red Cross.

## SCOUT MASTER BUDD IS HONORED AT OPEN NIGHT

(Continued from Page 1)

Badges went to Cubs Taylor Gilbert, Terry Carter, Harold Simmons, Jerry Hugo, Bob Stickleland, Eric West, Bruce Rowland, Allen Jackson, Norman Long, Lorne Wass, Don Brice, Wayne Robinson, Don Langton, John Elroy.

Ed. McElroy trained the boys in first-aid, and Norman Williams directed the plays.

Scoutmaster Budd said that in the fall he would carry on the Cubs or the Scouts but that he could not handle both groups himself. "It is up to you parents to get a leader," he said.

A group of 20 Scouts and Cubs, wearing their uniforms, are going to Camp Ahshunyoong, at Sibbald's Point, on Friday, June 30, to stay for nine days.

## IN MEMORIAM

Chantler—In ever loving memory of our baby son, Charles William (Buddy), the innocent little victim of an automobile accident, who went to be with Jesus June 22, 1937.

Today our thoughts go higher, Up to God's garden above, Where he dwells with Jesus. With all his sweet rosebuds. A bud that was fragrant and lovely. One that was precious and rare. It faded only to bloom more radiant In the upper garden there. Sadly missed by mother, daddy, Percy and George.

Cryderman—In loving memory of our dear wife, mother and grandmother, Nellie Cryderman, who passed away one year ago, June 28, 1943.

When days are dark and friends are few, Dear mother how we think of you. Friends are friends if they are true. We lost our best friend when we lost you.

Sadly missed by husband, John, Valeria and girls.

Harmon—In loving memory of our daughter, Donna Joan, who died June 23, 1943.

A little lamb too sweet and pure Upon this earth to roam; An angel came And took our dear child home.

Ever remembered by mother, brothers and sisters.

Riddell—In loving memory of a dear daughter and sister, Doris Ellen Riddell, who passed away July 1, 1941.

We have only your memory, dear Doris, To remember our whole life through.

But the sweetness will linger forever. As we treasure the image of you.

We often sit and think of you, When we are all alone, For memory is the only friend, That grief can call its own.

Like ivy on the withered oak, When all other things decay, Our love for you will still keep green.

And never pass away. Ever remembered and sadly missed by mother, father, sisters and brother.

ANNE DUNNING IS  
SOLDIER'S BRIDE

Settings of pink and white peonies, orange blossoms and blue delphinium adorned Aurora United church on Saturday for the wedding of Anne Dunning, daughter of Mr. and Mrs. W. C. Dunning, and Pte. James N. Emmons, son of Mr. and Mrs. C. Emmons, Orillia. Rev. Roy Hicks officiated.

The bride was given in marriage by her father. Her wedding gown was of white slipper satin with a full-length veil and seed pearl and sweetheart halo. She carried a small white vellum Bible and a shower bouquet of Sweetheart roses and orange blossoms. She wore the groom's gift, a three-strand string of pearls.

Her attendants were Miss Dora Doane, maid of honor, in heaven blue sheer, Mrs. Florence Stacey, Toronto, in lime green sheer, Miss Margaret Bricknell, Mimico, in turquoise sheer, Miss Jean Arnold, Stouffville, junior bridesmaid, in bluish pink sheer, and Miss Phyllis Hoiles, Maple, flower girl, in yellow sheer. All attendants wore matching headresses and carried nosegays.

Ronald Emmons, Barrie, was groomsmen. Mrs. Jean Russell, Orillia, sang "At Dawn," and "Through the Years."

At the reception in the church parlors, the bride's mother received the guests wearing periwinkle blue with white accessories and a corsage of Sweetheart roses. The groom's mother chose an ensemble of dusty pink and blue accessories.

The ushers were Jack Foster and Norman Crawford, Toronto. Later the bride donned a Queen's blue sheer dress, blue coat with white accessories and a corsage of Sweetheart roses for travelling to Muskoka. They will reside in Aurora.

Guests were present from Labrador, Kincardine, Orillia, Barrie, Toronto, Uxbridge, Maple and Mimico.

York Will Buy 590 Acres  
In Reforestation Plan

Reeve J. D. Sibbald, Georgina township, advised York county council in session last week to place belts of trees along various highways.

The council decided to buy 540 acres of land unfit for cultivation and 50 acres adjoining county-owned forest areas as part of a reforestation scheme. The cost is said to range from \$10 to \$15 an acre. The additional 50 acres has a stand of hardwood and sold for \$1,500.

Reeve Sibbald said one of the most important avenues of reforestation is the individual farmer, and recommended that a system of bonuses be set up to encourage the work.

## LIONS PRAISED

(Continued from page 1)  
treasurer, Frank Courtney; 1st vice-pres., W. J. Geer; 2nd vice-pres., E. C. Morrison; directors, Norman L. Matthews, Geo. D. Bender, Leo Cull and Stephen Rose; tail-twister, Alex. Eves; and Lion-tamer, Arthur Evans.

Deputy-District Governor R. D. Little, Richmond Hill, presented Fred Thompson with a past president's pin.

Mr. Gilroy, in acknowledging his new honors, said that Mr. Thompson and Mr. Doyle had been the backbone of the club during the past year. Mr. Thompson, he said, was now going to take over the command of the Air Cadet squadron. Mr. Gilroy said that President Thompson had been the club's outstanding Lion during the year. Mr. Thompson paid tribute to International Councillor H. A. J. Lambert, telling of the long hours he had worked to put financial campaigns for various causes over the top.

"Harry Lambert since he came to Newmarket has been a great asset," said Mr. Thompson. He added that Mr. Lambert had been responsible for the organization of the place whereby Newmarket clergymen carry telegrams to the families of service casualties. When the minister of national defence learned of the plan, said Mr. Thompson, he commended Mr. Lambert and assured him that similar committees would be set up elsewhere in the dominion.

Head-table guests included Mrs. Fred Thompson, Mrs. N. M. Young, Mrs. R. D. Little and District Treasurer and Mrs. Frank Courtney. Guests in uniform were Lieut.-Engineer Aubrey Seythes and O.S. Gordon Cockburn.

Anthony C. Trollope, R.C.A.M.C., son of Mr. and Mrs. C. G. Trollope, Toronto. The bride is a niece of Mr. and Mrs. Wilson.

Rev. R. F. Hicks of the United church officiated. The wedding music was provided by Mrs. J. B. Trollope and Miss Laura Woolf, who sang "Through the Years" and "I Love You Truly."

D. J. Cosford gave his niece in marriage. She wore a two-piece white silk jersey dress, a matching hat with a shoulder-length veil and carried a bouquet of red roses and baby's breath. Her cousin, Miss Margaret Baines, attended, dressed in Queen's blue crepe, white accessories, and carrying a nosegay of pink roses. Cpl. Stanley Hills, R.C.A.M.C., was best man.

Guests were received by the bride's aunt, Mrs. Wilson, who wore a gold crepe dress, navy and white accessories and a corsage of yellow roses. Mrs. Trollope, who assisted, chose an orchid and violet gown, with a dusky pink corsage.

Later the couple left on a motor trip to Muskoka, the bride travelling in a lime green dressmaker suit and navy accessories.

HAS 30TH BIRTHDAY

Elma Rebekah lodge celebrated its 30th birthday on Monday evening at the home of Mr. and Mrs. Arthur Ashton. Guests were present from Hamilton and Newmarket. Mrs. George Walker gave the assembly report. Several letters have been received from soldiers overseas thanking the lodge for cigarettes and parcels. A delicious lunch was served at the close of the evening.

ATTENDS FUNERAL

Mrs. Charles Dunham attended the funeral of her brother, Edward Strasser, Queensville, on Monday. Mr. Strasser was well-known in Aurora.

HOLD FINAL MEETING

The Aurora Lions club met on Tuesday evening in Trinity parish hall. Supper was served by the parochial guild. This is the final meeting of the club until September.

WORK IN WAR PLANT

A number of Aurora high school students are now employed with a war industry at Weston. They include Gordon Gunton, Bill Babcock and Phil Harrison.

Aurora High School  
EXAMINATION RESULTS

Geraldine McDonald, King, and David Johnson, Aurora, each received first class honors in nine subjects and second class honors in one subject in their grade 10A examinations. Willson Orlinton, Kettleby, and Constance Brodie, Aurora, both received seven first class honors in their grade 11 exams.

Form prize winners are: Grade 13, first, John Crysdale; second, Alice Clark and Harold Noddle; grade 12, first, Charles Seath; second, Jean Wilson; grade 11, first, Constance Brodie, second, Willson Orlinton; grade 10A, first, Geraldine McDonald; second, David Johnson; grade 10B, first, Phyllis Mustard; second, Walter Bunn and

Phillip Davidson; grade 9A, first, Dan Crossley; second, Marie Wilson; grade 9B, first, Ian Scott, second, Donna Wilson.

Final class standings for grade 13 will not be announced until departmental results are published in August. First class honors are 75 percent or more, second class honors are 66 to 74 percent, third class honors are 60 to 65 percent and credits are 50 to 59 percent. The letter r means that a student has failed his exam but is recommended to the next grade. Absence of his name in any grade means that the pupil must repeat his year.

(Results will be found on Page 5).

Council Protests Permit  
For Cold Storage Plant

Aurora town council passed the following resolution at a special meeting last week:

"Resolved that this council protest the action of the administrator of electrical equipment in granting a permit to install cold storage equipment in the town of Aurora by one Norman Dorland of Newmarket, in the face of applications from reputable citizens of Aurora. We further request that the whole situation be reconsidered at once."

Mr. Dorland, who has cold storage lockers in Newmarket, has started excavation for the new lockers at the corner of Yonge and Tyler Sts. Trees have already been cut down. There will be 550 lockers, Mr. Dorland has stated.

At an earlier meeting last week Mr. Dorland asked the council for free water for the plant and that the tree which stands between the sidewalk and the curb on Tyler St. be removed. He made a further request that the sidewalk on Tyler St. be lowered for a length of 90 feet.

Is Successful Business  
Man At 36, Gives Bursary

One of Aurora high school's old boys, who at 36 is one of Canada's top merchandisers, John Stuart, Toronto, has given an annual scholarship to go to the high school in Grade XIII at Aurora high school. The first scholarship will be awarded this year to John Crysdale, son of Mr. and Mrs. J. P. Crysdale.

Mr. Stuart offers to the scholar with the highest marks the entire first year fees in finance and commerce at Queen's University, Kingston, or, if the student prefers, \$50 in cash. With present university fees the scholarship has an approximate value of \$150 if the first choice is accepted.

Mr. Stuart, proprietor of John Stuart Sales, Toronto, is the eldest son of ex-councillor John Stuart and Mrs. Stuart, who last week left Aurora to take up residence in Toronto after living in Aurora many years. He attended Aurora public and high schools, and played both soccer and hockey for the school. He was one of the fastest secondary school mile runners of the day. He attended Queen's University, after earning the money to pay his way, and at university was a member of the intercollegiate track team.

After two years in commerce and finance he entered the business world with a cereal firm. He was finally taking over the western Canada sales for the firm.

In 1936 he started in business for himself in a small way and, by dint of hard work, imagination, and a touch of luck, in eight years has worked his sales organization to a high rating, representing exclusively for Canada some of the best-known commercial products in America and Great Britain. He now resides in Markham, where he owns a farm and maintains a string of racehorses. Last Christmas he presented a memento to every child in the village. A few months ago he was chairman for Ontario of the war savings campaign of the

food industries of Canada.

Two brothers, Lieut. William Stuart, in Italy, and LAC Alex. Stuart, now taking training in Canada with the R.C.A.F. for aircrew duty after a year overseas, and a sister, Mrs. John Babcock, Toronto, all attended Aurora schools.

"The gift is a very fine gesture," Principal J. H. Knowles told The Era and Express. "It will do much to encourage competition among the better scholars and in many cases will lead to a student seeking higher learning, who might otherwise not go to university by reason of finances or present inclination. It is nice to see an old boy remember his former school."

Mr. Stuart's letter said in part: "As you know, I spent the best five years of my life at Aurora high school. I am one of the few graduates who had the pleasure of spending one year in the old school, one year between the Salvation Army and the Disciples church and three years in what I term 'our new school'."

"I was very principal during my three years in the new school and so to you I owe most of my high school education. I then went on to Queen's University after two years of work to earn the necessary money to do so."

"Due in part to my learnings at Aurora high school I have at 36 achieved a measure of success in this great country of ours. In appreciation therefore and to commemorate also the years spent at Aurora high school by my brothers, Bill and Alex., presently with the armed forces, and my sister, Jean, I herewith confirm in writing the following scholarship."

"This scholarship is to become effective immediately and it is my hope to make it an annual scholarship in perpetuity by the establishment of a fund in the course of time."

Mr. Stuart added that he hoped to attend each graduation and present the scholarship in person.

Trying To Reach Boat,  
Man Drowns In Lake

Twenty-six-year-old Billy Marr of Toronto was drowned on Saturday evening at Lake Wilcox. Mr. Marr, a deaf mute, was spending the weekend at the lake, where he was a frequent visitor. He was known as a strong swimmer.

Around 8 p.m. a boat was noticed floating from the west shore. The current was pulling it out in the lake and Mr. Marr went to recover it. He had swum some distance when he turned and headed back for shore. He disappeared before help could reach him.

The body was recovered by Percy Ash about two hours later. Coroner Dr. C. J. Devins was called and the body was taken to Orillia for burial.

HOLD ENTRANCE EXAMS

Principal John G. McDonald presided over the entrance examinations at Maple this week. Principal J. H. Knowles of Aurora high school presided at Aurora.

PHOTOGRAPHY

Shirley Harris, supervisor of music in Aurora schools, and organist at Trinity United church, Newmarket, has accepted a position as supervisor of music for the public schools of Saint Ste. Marie, Ont., and will take up his new duties in September.

Mr. Harris has trained in Newmarket and Aurora gold-medallist choirs, trios, double trios and soloists.

PUBLIC SCHOOL PROMOTIONS

Following are promotions in Aurora public school:

Promoted to grade 2: Margaret Barrager, Jon Bunn, Murray Chapman (rec.), Elizabeth Closs, Audrey Cole, Mary Corbett, James Cosgrove (rec.).

The Hill Takes Aurora  
In 16-4 Hurling Spree

Richmond Hill defeated Aurora on Monday night at Aurora 16-4. Upton on the mound for the Hill was the star of the contest, pitching a no-hit game. He struck out 12 men, twice retiring the side on strikes in the first and fourth. Although inclined to be wild, he gave nine bases on balls, he bore down with men on base.

Smith started for the home team but ran into trouble in the fourth inning when the visitors scored seven runs.

This evens up the season's games between these two clubs. If Aurora wins at the Hill to-night, the locals travel to Newmarket for the third engagement between these two clubs.

Memorial Service Pays  
Tribute To Aurora Hero

Aurora townsfolk, airmen and citizens from all parts of Ontario honored the memory of Wing Commander Lloyd V. Chadburn, D.S.O. and Bar, D.F.C., at an impressive memorial service held Sunday afternoon in Trinity Anglican church. The hallowed walls of the Aurora church, of which the air hero was a member, could not accommodate all who attended and hundreds heard the service from the lawn of the church or adjacent properties.

The affection in which Lloyd was held by those who knew him, was shown by the solemnity with which the vast gathering participated in the service.

Hon. W. P. Mulock, Mayor Roscoe Linton, members of the Aurora town council and school boards, the mayor of Oshawa, and Alderman Clifford Harman, ex-Aurora boy, Ben F. Cox, secretary of the York County War Veterans' Association, 25 officers of the R.C.A.F. from Toronto as well as high ranking officers from other centres, officers and men from all the armed services, and cadets from the Oshawa and Newmarket Air Cadet squadrons were among those who paid tribute to Lloyd's memory.

Rev. Canon F. J. Fife of Trinity church was in charge of the service assisted by Rev. W. F. Wrixon of St. Mary's Anglican church, Richmond Hill, and Rev. Roy Hicks of Aurora United church. Group Captain John McNab, senior Protestant chaplain of No. 1 Training Command, R.C.A.F., delivered the eulogy. Hymns included "O Thou Within Whose Sure Control," "There is No Night in Heaven," and "O Valiant Hearts."

"Is there a life after death?" was one of the questions all men sought to answer, declared Capt. McNab. He said he could answer in the affirmative because all religions,

## DOWN THE CENTRE

R.S.M. Pat Farrell of No. 23 fight next in the pro ranks. Besides which the two boys were home-town rivals. It never materialized as both hit the army. Now they have their chance to settle things.

Butler is younger, faster and perhaps the better boxer. Wadsworth is experienced, a harder hitter and of course a champion. This bout should be a dandy.

Next R.S.M. Farrell secured no less a personage than the celebrated Baby Yack. The Babe needs no introduction. For several years he has been the best bantamweight fighter from all countries. Now he is lightweight and in the district army finals was beaten by younger Patsy Brandino. A lance-jack at Simcoe camp. Yack is fighting in better form than he ever did. Against him will be pitted one of the best Canadian army fighters.

Blaine Hayden of No. 5 C.A.C.T.R. a few weeks ago won the zone lightweight novice title and then lost at Petawawa in a questionable decision. R.S.M. Farrell, the team

manager, regards him as the best novice lightweight in Canada and he has been matched with another lad from his own unit, Johnny Shaler of Winnipeg. Shaler, a newcomer to the east, lost a split decision in the recent Camp Borden senior novice championships to Hayden and the bout is a natural in every sense of the word.

Sonny Sundburg of Montreal from No. 1 is to clash with Billy Olynik of T. and S. Wing at 147 lbs. The two boys have each won a decision from the other and this will be the rubber bout.

So much for the four main bouts or the headlines. Several other bouts and some wrestling bouts have also been arranged. If you were to visit any of the big cities and try to find a card as good, it just couldn't be done. Now North York sport fans who like their boxing and "rasslin" have a chance to see nothing but the best. We don't think we need to say more. We know we'll be seeing you there. Army rules, which are afraid are not too popular with the fans, definitely will not be used. The third man will be in the ring and the Marquis of Queensbury rules followed.

Softball, soccer, track and field will also be on display and it will

be pretty nearly an armored corps field day with Borden teams trying to get the nod over their brothers in arms. Of course there will be other units represented too, but these black beret boys are pretty clanny and if they can't beat each other they'll be out to trim the rest of the field. A good time will be had by all and we don't mean mebbe.

Bill Hood, former Aurora-Markham-King City hockeyist, became a newlywed on Saturday, marrying a Willowdale girl. An injury in a train accident sustained a few years ago is the reason Bill is not on active service today.

Lieut. Joe Ward, the big fullback who played sensational soccer a few weeks ago for T. and S. Wing against Ambly Cotton's Aurora Ordnance 11, hails from Claremont, which, along with Green River, was always a soccer hotbed. Joe has quite a few friends in Aurora and district but missed seeing any of them on his first appearance here.

Bob Normoyle, winger on the No. 26 B.T.C. hockey team against Newmarket camp two years ago, has been wounded in Italy, according to the casualty list. Normoyle, an Oshawa boy, played on a line with Mac, Craig and Scotty Reid and was mighty effective.

Johannes Andre de Villiers, That name sounds like the hero in a play. Actually, the guy is one of

the present-day senders on the sports front. He is a student at Heidelberg normal school in South Africa, and is 6' 1" in height. Nothing unusual in that you say, except his name? Well, he recently jumped 5' 7". Again you say so what? Well the fact is that de Villiers has but one leg and went higher than the average track and field man can do. Much higher in fact. He used the western roll too. We can mark this down as one of the most unusual feats of our time. We well remember a one-legged barrel jumper who was a wizard at that sport, but we never heard of a one-legged high jumper before.

Bob Bangay, an armored corps officer, has been posted from Camp Borden to his old basic centre at Newmarket camp. Bangay will likely be there most of the summer too. Although an effective hockey player, Bangay does not play many other sports. Must be mighty nice to come back to your old centre showing the confidence they had in you in their original selection has not been misplaced.

Murray MacPherson, who played baseball for Beaverton against Aurora Blue Ribbons in the middle 30's, then went to Sunderland and played against Sutton, is now tending the pill for No. 2 C.A.C.T.R. at Camp Borden. Murray hails from Lindsay and along with Joe McDonald, catcher (now in the

R.C.A.F.), and Hal Edwards, the shortstop, they were largely responsible for taking Shorty Turan and company into camp.

How do they bat? Ever ask yourself how many batters in hardball or softball were right or left handed? No. Well it is apparent from the outset that the portlanders are in the minority. Just use your optics on the present kid league in the district. The National league has 75 percent right-handed batters and 25 percent left-handed batters. The American has five percent left-handed batters. That should be a fair representation for all baseball. It is easy to see why south-paw pitchers have an edge along the line, with so many right-handed batters.

Sgt. Douglas Bernhardt of Collingwood is also reported missing with the almen. He is the son of Oscar Bernhardt, formerly of Stayner, who will be remembered by the older hockey fans and players around Aurora and Newmarket as coach of Stayner hockey teams and well-known hockey referee of those days.

Sgt. Douglas Bernhardt of Collingwood is also reported missing with the almen. He is the son of Oscar Bernhardt, formerly of Stayner, who will be remembered by the older hockey fans and players around Aurora and Newmarket as coach of Stayner hockey teams and well-known hockey referee of those days.

stranger to those who follow the news, has been passed by ex-Aurorite John Stuart for stud purposes at his Markham farm. Although doubtless he will race all season. The son of Jacopa and Clossless has won close to \$25,000 in his career, \$10,000 being last year's take alone. Mr. Stuart, who so far has not had much luck on the track with his horses, paid in five figures for Jacopa, for the Stuart long-range racing program. Interesting sidelight on the present invasion is the fact that Major General R. F. L. Keller, commanding Canadian forces, was once a keen army football player, performing for the Princess Pats' team at Winnipeg, one of the best of its time.

Mr. Mrs. Brown, ex-Aurora high school track star and King City and Aurora junior hockeyist, dropped out of a line from overseas dated May 27. Ken reports having seen Leon Chapman, Norm Scott, Jimmie Cook (another former ace track man), and Theo. Bull. He says Normie Ekan "is looking like a million dollars".

Johnny O'Connor, the Newmarket ring tornado, he says "is fine and doing some nice boxing during the winter" in England. He gets the Era and Express "regular" and it sure is good to have. He comments on the English love for flowers. "I never thought there could be so many flowers growing anywhere. The English people are really great people for flowers and shrubs."

Mr. Beville, another old friend, writes from Newfoundland where he is with the navy and where his wife is also at present. You can always depend on the sports-loving Bob, ex-sports writer too, to give you a word picture on athletics. "Our sports chief, Pete Mills, former Montreal hockeyist, informs me that he expects a good sized lacrosse grouping in and around the base," he writes. "Right now gear is on the way from another base and with a goodly number of Canadian athletes hereabouts there should be some interesting tussles in the offing for spectators. Baseball is in full swing but adverse weather conditions of late keep the diamonds in very poor shape." Bob expects a leave in September and promises to look up the gang around the district. Needless to say, the former Aurora-Richmond Hill-Toronto Marlboros lacrosse fiend will be swinging the gutted stick on every occasion.

Capt. Bill Lovett, one-time St. Andrew's College footballer and hockeyist, is also a star for Toronto Argonauts, was a member of the Canadian second front group of officers who planned the present invasion. Another prominent athlete on the board of strategy was Capt. Dick Stapleford, who played hockey overseas with Lieut. Bert Shaw of Newmarket.

Charlie Nesbitt, the Bradford boy who played canny hockey for Newmarket camp two winters ago and was a member of No. 2 Rams last winter, is playing centre field for his unit in the C.A.C. softball group and is sure to get either the raspberry or a big hand when he comes to Newmarket. Chuck is a pretty fair player and covers a fair amount of territory.

Nip Spooner, another Ram hockeyist is playing shortstop on the same team. No. 2 have only lost one game at the time of writing and are distinct threats for the corps title. Thorne, the pitcher, has a dandy slow ball, good change of pace and control. He hails from Windsor, where he was one of the best in the business.

Jimmy Holmes, one of Canada's greatest sprinters, who was one of the ace of last year's Newmarket track stars, is now a lieutenant with the armored corps and on Saturday will be back at his old stamping ground competing against his former buddies. Holmes, a sure Olympic prospect but for the war, is just another of the big athletic figures to appear on the Newmarket (Page 9, Col. 3)

## SAY LEADERS NEEDED FOR RURAL GAMES

The Newmarket East Farm Radio Forum met at the home of Mr. and Mrs. Vernon Mount on Monday evening, June 19, to discuss "Rural Recreation." They found: "There are enough young people to carry on recreational programs. We need more co-operation and leadership, more space, for both indoor and outdoor sports. We need financial support and equipment."

"There are community instructors for outdoor games if needed. A plan for a leadership training course to be sponsored by York county education committee was explained and volunteers asked for. Even though everyone is busy in these times, recreation is essential."

A half hour of games concluded the meeting. The next forum is to be held on July 17 at the home of Mr. and Mrs. Bruce McNern. The subject is "Rural Electrification."

The Women's Hobby club met last Tuesday at Mrs. Hartford Wardell's. There was a good attendance. The roll-call "An interesting place I have visited," was well answered, Coney Island, Niagara Falls, Montreal, Detroit, Kingston, Midland, etc., being described.

The members were requested to take any contribution to the Russian linen drive to Loblaw's or the Dominion store at Newmarket. Mrs. S. Walker gave a paper on "The Pioneer Life of Mount Albert." Mrs. L. J. Farr gave a splendid demonstration of temperature, pulse, and respiration lessons.

The next meeting will be held at the home of Mrs. Bruce McNern. It will take the form of a social for husbands and friends.

### MAGISTRATE'S COURT

#### DRUNK DRIVING BRINGS FINES OF \$25 AND \$10

Having in his truck a party consumed case of ale and driving in a manner dangerous to other persons using the highway brought fines of \$10 and costs on the illegal possession of liquor charge and \$25 and costs on the careless driving charge of James McManus, 3 Montrose Ave., Toronto. The defendant pleaded guilty to both counts in the magistrate's court in Newmarket on Tuesday.

Provincial Constable William H. Melbourne told Magistrate K. M. Lingdon that on June 2 he had been on traffic duty on Yonge St. at Oak Ridges, when he noticed the defendant driving his truck in an erratic manner. He followed the truck some distance along the highway before stopping it. Searching the vehicle he found a partly-consumed case of ale. The officer stated that Mr. McManus was in no condition to drive the truck.

Three other persons were fined \$10 and costs for illegal possession of liquor: Albert Sturgeon, Toronto, Ross Eves, R. R. 1, Newmarket, and John McFerran, R. R. 2, Malton.

County Constable Ronald Watt testified that he had searched the cars of Ross Eves and John McFerran at Wilket Lake and found partly-consumed bottles of ale.

Township Constable Joseph Foote told his worship that he had searched the car of John McFerran in a parking lot in Whitechurch township and found a partly-consumed bottle of beer.

Magistrate Lingdon dismissed charges against Pte. Frank McKay, Newmarket training centre, of damaging property and of vagrancy. In the latter charge his worship stated that the defendant was not a vagrant, being in the service. He had been in the army for the last four years.

C. Hatherton said that he and his wife rented an apartment from Mrs. Walter O'Halloran on Prospect St. and that on the evening of June 13 a quantity of clothing which was hanging on a line was "torn to ribbons" and a couple of pairs of socks stolen.

Chief Constable James Sloss stated that he investigated the complaint of Mr. Hatherton and as a result patrolled Prospect St. that evening.

"I saw the shadow of a man running along an alley," stated the officer. "I followed and found the accused lying face down near a shrub at the side of Mrs. Ed. Richardson's house a couple of doors north of the O'Halloran house. As I put the flash-light on him he got up and started to walk to the rear of the building. I took him to the police station. He was cautioned. The only excuse that he had was that he had been drinking considerably during the week."

"Did you question him about the clothes?" asked Crown Attorney Arleigh Armstrong.

"Yes, he would neither deny nor admit tearing the clothing," replied the witness. "His exact words were, 'I wouldn't say that I did it.'"

Questioned about the defendant's condition, Chief Sloss said: "I would say that on that night he had been drinking. When I asked him why he fell flat on his face when I put the flash-light on him he said that it must have been habit. He said that when overseas he had been accustomed to fall face down when a light was flashed on."

Asked by his worship if the defendant had been medically examined, the crown stated that he had been found to be normal. He had seen service overseas.

The court dismissed a charge against Harold Bate, Holland Landing, who through his counsel, Miss B. E. Lyons, pleaded not guilty, to a charge of having in his possession a bicycle which he knew to be stolen and which belonged to Mary Lennox, New Toronto.

Miss Lennox told his worship that she had lost her bicycle on May 28 or 29. She identified the frame of the bicycle which was exhibited in court as belonging to her bicycle.

A 13-year-old Holland Landing youth was called to the witness-box and questioned by the crown. He stated that on May 29 he and Harold Bate had gone to the theatre in Bradford and when they came out he stole a bicycle which was parked in the lane beside the theatre. He and the defendant went to the latter's home on the old Bradford road, where Harold Bate dismantled the bicycle.

Cross-examined by defence counsel the youth stated that Harold Bate always paid his (the youth's) way to the show.

Asked if he had told the defendant that he was going to steal the bicycle before he actually stole it the witness replied, "I asked him if I stole the bicycle would he give me some money and he said 'all right'. He was to give me enough to go to the show."

"That's not what you said in the Barrie court," stated Miss Lyons. She explained to his worship that the youth had pleaded guilty to stealing two bicycles in the Barrie court.

"We'd been planning this all the time, about two weeks," stated the youth. He said that they had discussed stealing the bicycle while in the theatre.

"What were your plans?" questioned the crown.

"We'd planned to steal bicycles, sell them and make money," replied the witness. He stuck to his former statement that he and the defendant had discussed stealing the bicycle before going to the theatre.

"On May 29 at about 10:20 p.m., Mary Lennox, who was at that time residing in Bradford, advised

#### FROM WHERE WE SIT

By DEL. GIBNEY

The Richmond Hill Midgets minus their first string pitcher went down to defeat at the hands of the hard hitting kids from town by the score of 17-3 last Thursday evening.

Bill Hopper pitched good ball throughout the game and when the going was tough the rest of his team mates were on their toes to take "Hop" out of the tight spot.

Charlie VanZant, coach for the kids, says they need to learn much more about the game and that when the Ontario

Stillwell, Clarence Hodgins, William A. Hewitt, John G. Fountain, all of Toronto, Egbert O. Moore, Edith Smart, both of Newmarket, Benny Kosloski, Aurora, Arthur Marrie, R. R. 3, Weston, William F. Griffin, Pefferlaw, Bill Winter and Arle Vanderkerkley, R. R. 2, Newmarket, Constable James F. Leeder laid the informations.

For illegal parking in Newmarket Magistrate Lingdon fined John Eugene Marritt, Toronto, \$1 and costs. Chief Constable James Sloss laid the charge.

His worship fined the following motorists for exceeding the speed limit: Robt. J. Forfar, Stouffville, \$25 and costs (Constable Fisher, Dunham, Aurora); Fred Morris and Samuel Sable, both of Toronto, each fined \$15 and costs (Provincial Constable Wm. A. Melbourne); John T. Frame and George K. Barton, both of Toronto, each fined \$10 and costs (County Constable William Hill).

Next week court will be on Friday, July 7. So far as is known, henceforth the court will be held on a Friday instead of a Tuesday. This is to accommodate the magistrates, who have court duties elsewhere.

play-off roll around, he will enter his club. This should be some encouragement to the boys to put their best in the game.

Monday's softball game between Dixon Pencil and the strong town aggregation caused much excitement at the school grounds. The Town club, strong in all departments, shows promise of being equally as good as the 1939 team.

Agnes Wilmut, relieving Phyllis Osborne on the pitching mound, hurled good ball with only a few scattered hits.

Vera Beckett led the Dixon club pitching staff and Edna McGrath completed the battery to hold the Towners to 9-5 at the end of the fifth inning. Then things began to happen and before the game was over the town team had gained a large margin over the opponents.

Phyllis Pegg, playing second for the Dixon aggregation, was the most effective player on the field, catching everything coming her way and also hitting like an old-time player.

With a few more practice games these kids will make tough competition for the rest of the season.

#### Specialty Girls Win

The Office Specialty softball nine pushed ahead in the sixth inning to win over the Davis Leather club 25-18 at Stuart Scott school grounds Tuesday evening.

This win leaves the office staff in second place in the league, with the towners holding the top rung. There will be no ball for next week, as all factory employees are on vacation, but on July 10 the Dixon Pencil club will battle with Davis Leather.
